Educational Split Reel.

Great Spanish and Mexican athletes are caught by the Canimated Nooz camera in celebration of Hottamale day at Garlicpie, Spain. Salveo, the great, slings the cow's husband. Oscar of ebony hue, eats eighteen Chicken pies, Spanish style, in three minutes. In Washington, D. C., the arrival of Prince Gobuvink, ambassador from Umphumph, and his charming frau is shown. The Prince, according to report, is here to confer with the President on the ear-muff shortage in Africa. Forgetting his mission, however, the Prince engages the ambassador from Affghanistan in a little game of his national pastime. There is trouble, when Prince endeavors to "sneak one" while his opponent is not looking. A study in high-flying concludes the Canimated program. How freight cars and great locomotives are built, from beginning to end, forms the other half of the reel.
